Pre-Marital Counseling *(Pre-Engagement Counseling)*

Explanation

We feel that pre-marital counseling is an extremely important step to take for couples considering marriage. According to the Bible, the love between a husband and wife is supposed to illustrate the love that Christ has for the church. We want marriages at 24church (and even those outside of our church) to be as strong as possible.

Accordingly, we strongly encourage pre-marital counseling. In fact, pastors at 24church will not officiate a wedding in any location unless pre-marital counseling has taken place. While those not from 24church are free to use the church building for weddings, (and we will not require pre-marital counseling for use of the building alone), we still strongly recommend it, and would love to assist anyone in providing counseling services if they so choose.

Pre-Marital Counseling

Typically pre-marital counseling lasts for four, one-and-a-half hour sessions. During these sessions the couple will explore their relationship and future marriage in a discussion-oriented atmosphere with a pastor. The counseling can take place when and where the couple and the pastor decide.

Suggested Cost	For Members	For Non-Members
Sessions	\$25 each	\$75 each
Ceremony & Rehearsal (if a 24church Pastor is officiating)	\$100	\$250
