

SERMON DISCUSSION QUESTIONS

Speaker: Chris Royalty // Sunday: March 13, 2022

- 1) Begin your time by briefly praying and asking the Holy Spirit to help you as you discuss and study.
- 2) Read Romans 5:1-8 together.
- 3) What stuck out to you as you read? Is there anything you don't understand? Is there anything you'd like to discuss?
- 4) Verse 1 talks about having peace with God. Why do we need peace with God?
- 5) What does peace feel like?
- 6) In verse 2, Paul mentions that we rejoice in the hope of the glory of God. What do you think he means? What is the hope of the glory of God?
- 7) In verses 3-5, Paul talks about the purpose of suffering. According to these verses, why do we suffer?
- 8) Is there a time in your life when you have suffered, and now looking back on it, you can see that God was working this suffering out for your good? Discuss.
- 9) According to verse 8, Jesus died for us because God loves us. Do you feel loved by God? If so, how?
- 10) If someone asked you, why did Jesus have to die, what would you tell them? How would explain to them the meaning of Jesus' suffering and death?
- 11) End your time in prayer. This week specifically pray for people whom you know who are not yet Christ followers. Ask God to open a door for them to hear the gospel and respond in faith.
